(Affiliated to DAVV, Indore and RGPV, Bhopal; website: www.mrscindore.org)

National Webinar on "Socio-economic Challenges after Covid-19: A Path Ahead", 22nd June, 2020

One day webinar was organized by Maharaja Ranjit Singh College Professional Sciences, Indore, M.P., India. The topic of this webinar is Socio Economic Challenges after Covid: 19 A Path Ahead.

The key speakers of this webinar were Dr. Vibha Gupta, Mr. Mohan Hirabai Hiralal and Ulhas Jaju. We express our gratitude to the three speakers, who accepted our request and graced the occasion by joining the webinar.

Principal Dr. Anand Nighojkar, Director Dr. Ira Bapna, Maharaja Ranjit Singh group of Institutions, Prof. Anil Gupta, Technical Associate of webinar and Dr. Geeta Saneja co-host of the webinar.

It is well known that global pandemic of corona has changed the moral, social, economic, political, cultural landscape of the world. This disease, which started from the city in Wuhan in China, has caught every country in the world. India was also no exception to this. For the prevention of the disease, India adopted the lockdown process long ago, as a result of which it has been successful to a great extent in preventing the spread of infection. But the sudden announcement of the lockdown made it difficult for those people who were working in cities from remote villages. Most of these people were from rural areas. The "decision making process" became important in the measures to deal with the infection of corona. Along with this, health and employment were also affected. This webinar throws light on the nature of non violent decision making in employment, health and sustainable development after corona.

Dr. Anand Nighojkar, Principal of the College gave welcome address to the participants and introduced them with the speakers of webinar

First speaker was Dr. Vibha Gupta, who has a master's degree in Social Science from Canada. She received her Ph. D degree in Transfer of Technology Amongst Rural Women from Indian Institute of Technology, New Delhi. She founded "Science for villages" along with her father Dr. Devendra Gupta. With her cooperation more than 1000 self help groups were formed in 125 villages which run 23 village banks, in which there is an annual transaction of Rs. 16 crores. She has been rewarded by many organizations for herservices. She was also a member of Khadi and village Industries Commission. Presently she is the Chairman of Magan Museum in Wardha. She has been credited for making garments from organic cotton by natural dyeing and sell them. She also introduced Solar Charkha in Khadi sector.

Second speaker was Mr. Mohan Hirabai Hiralal. He is influenced by the thoughts of Mahatma Gandhi, Vinoba Bhave and Loknayak Jayprakash Narayan. He has been doing social service in Mendhalekha village of Gadchiroli district. He gave a slogan in the village, "Delhi, Mumbai me humarisarkar, humaregau me hum heesarkar". He made this slogan a reality with the help of the villagers. Recently Mendhalekha village was unanimously declared as "Gramdani" village. For his service he was honoured with the Jannalal Bajaj Award along with his friends.

(Affiliated to DAVV, Indore and RGPV, Bhopal; website: www.mrscindore.org)

Third speaker was Dr. Ulhas Jaju. He retired as Director, Professor, Department of Medicine from the Mahatma Gandhi Institute of Medical Sciences, Sevagram. He guided 29 postgraduate students and founded the Medico Friends Circle for public health. He taught the students to practice high standards of therapy. He was awarded with Karmaveer Dadasaheb Kanmavar Award, Dr. Vankar Memorial Award, Desnehi Award for social service through the medium of medicine. Till now more than 200 articles have been published on various subjects.

All the participants were requested to switch off their own speaker. Question and Answer will be asked at the end of the webinar.

Time: 3:30 to 3:50 PM

First Speaker: Dr. Vibha Gupta -Topic: Women Empowerment and Employment in Khadi Village Industries.

Time: 3:50 to 4:10pm

Second Speaker: Mr. Mohan Hirabai Hiralal - Topic: Eternal Development and Non Violent Decision Making Process with Reference to Mendhalekha Village.

Time: 1:30 to 4:30pm

Third Speaker: Dr. Ulhas Jaju - Topic: Prevention of Corona Infection from Lifestyle.

Time: 4:30 to 4:50pm

Question and Answer: Participants were asked to keep their questions short, so that everyone gets chance.

Time: 4:50 to 5:00pm

Gratitude: Dr. Geeta Saneja, co-host of the webinar was asked to give Vote of Thanks.

Certificates: Certificates shall be sent to all the participants after filling the feedback form.

DEPARTMENT OF BIOSCIENCES

Session 2018-2019

- **Seminar on Microenvironment & Farm Structure, 28th April 2019**
Dr. Sandeep Jain, Professor & Head, Agricultural Engineering College, Dapoli, Ratnagiri, Maharashtra delivered a talk on Microenvironment & Farm Structure to M.Sc. Biosciences students on 28th April 2019. The Students gained knowledge related to the use of Bamboos for structural purposes in rural & tribal housing material. The presence of large amounts of starch makes bamboo highly susceptible to attack by staining fungi & powder-post beetles. The students were detailed about the commonly used preservation methods like treating bamboo by using Boric Acid Borax, Copper Chrome Boron etc. Also, Dr. Sandeep Jain elaborated the opportunities for Biotechnology & Microbiology students to explore upon different preservation techniques that can extend the life of bamboo and can maintain its quality & hence make it suitable for the use as construction material. Dr. Jain in his talk showed various innovative jugaad instruments, developed by them to pluck and collect fruits from trees, to remove weeds and grass from farms, etc.

Subject : Regarding Permission for Seminar of Career Counselling

Respected Sir/Madam,

We are a pioneer institute catering full preparation of exams related to English Shorthand. As per our survey, we came to understand that ours is the only institute that caters full preparation of SSC Stenography (Gr. C & D) as well as M.P. High Court Stenography exams in Madhya Pradesh.

It is ironical that students are unaware of the brilliant prospects, they can achieve through stenography course.

We have, therefore, decided to deliver seminar in reputed educational institutions. We are highly obliged if you grant us permission to deliver a seminar under the heading

"STENOGRAPHY-The easiest and fastest way to get into a reputed Government job."

We are looking forward to having a great association now and forever

Thanking You,

With Regards

Captain Surendra Singh (Ex. Army Personnel)

- **Seminar on Word Therapy, 9th October 2018**

Department of commerce organized Seminar on Word Therapy which was conducted by Ms. Sonia Saluja Manager Presto Solutions. According to her Speech disorders affect a person's ability to form the sounds that allow them to communicate with other people. They are not the same as language disorders. Speech disorders prevent people from forming correct speech sounds, while language disorders affect a person's ability to learn words or understand what others say to them.

The ATL(APPIN Technology Lab) sponsored Global Information Security Workforce Study has consistently recorded growth in the number of information security professionals worldwide and the number is projected to increase to almost 2 million by 2020.

Deliverables of the Training are as follows:

1. Awareness of new and Fastest growing technology.
2. Helping Student/Staff recognize and respond appropriately to real and potential security concerns.
3. Providing fresh, updated information to keep your student/staff current on new risks and what to do about them.
4. Providing information that is personally useful to your Student/staff, such as how to avoid scams, fraud, phishing, and ID theft. Information on how to protect home PCs and how to use e-mail and the Internet safely lets Student/employees know that your organization cares about them. Building good computing habits at home is as important as building those behaviours at work. Secure computing habits will transfer across environments.

एमआरएससी में निवेश साक्षरता पर व्याख्यान संपन्न

इन्दौर 18 अप्रैल। आज व्यक्ति का जीवन आर्थिक गतिविधियों से सर्वाधिक प्रभावित हो रहा है। सूचना क्रांति ने अर्थ क्रांति को तेज कर दिया है। युवाओं को स्वास्थ्य बीमा, जीवन बीमा के बाद बाजार में प्रचलित विभिन्न योजनाओं में निवेश करना चाहिए। युवाओं को बाजार में होने वाले उतार-चढ़ाव पर नजर रखने के बाद निवेश के क्षेत्र में कदम रखना चाहिए।

यह बात इन्वेस्टर पेराडाइज के निवेश विशेषज्ञ श्री भावेश भाचावत ने महाराजा रणजीतसिंह कॉलेज में विद्यार्थियों के लिए आयोजित व्याख्यान में कही। व्याख्यान का विषय था 'आर्थिक साक्षरता'। श्री भावेश ने कहा कि भारतीय निवेशकों के लिए बचत के साथ कमाई के अनेक अवसर उपलब्ध हैं। युवाओं को छोटी और दीर्घकालीन बचत के लिए म्युच्युल फंड में विशेषज्ञों से सलाह लेकर निवेश करना चाहिए। वित्त विशेषज्ञ श्री दिलीप पटेल ने बताया कि युवाओं को निवेश में जल्दबाजी नहीं करना चाहिए। थोड़ी सावधानी और विवेक से युवा अधिक फायदा उठा सकते हैं। श्री मनीष झंवर ने कहा कि निवेश के क्षेत्र में विषय विशेषज्ञों की सलाह लेना जोखिम को कम कर देता है। इस अवसर पर निवेश से संबंधित शॉर्ट फिल्म का प्रदर्शन भी किया गया। प्रारंभ में प्राचार्य डॉ.आनंद निघोजकर, डॉ.इरा बापना और प्रो.मनोज जोशी, विभागाध्यक्ष डॉ.मितेश चौधरी ने अतिथियों का स्वागत किया। डॉ.संदीप कौर ने अतिथि परिचय दिया। इस अवसर पर डॉ.गायत्री पलोड़, डॉ.निलेश मण्डलोई, प्रो.प्रवीण शर्मा सहित अनेक प्राध्यापक और विद्यार्थी उपस्थित थे। संचालन डॉ.गीता सनेजा ने किया। आभार डॉ. सुप्रिया बंडी ने माना।
