DEPARTMENT OF COMMERCE

Session 2017-2018

• **Entrepreneurship Awareness Camp, 26th to 28th March 2018**

To expose students to entrepreneurship as an alternative career, three days Entrepreneurship awareness camp was organized by Maharaja Ranjit Singh College from 26/3/18 to 28/3/18. The camp was conducted by MPCON under the sponsorship of Department of Science and Technology, Ministry of Science and Technology, Govt of India. The camp was inaugurated by Dr. N. Anand, Principal MRSC, Dr. Ira Bapna, Director MRSC and Mr. Ganesh Swami, Asstt Manager MPCON Indore. The Guest speakers were Mr Ganesh Swami and Dr Vinod Mishra who enlightened the students with various Government schemes to promote Entrepreneurship and fundamental concept of entrepreneurship. Several other dignitaries from Business world shared their knowledge and experiences and delivered lectures on opportunities and challenges of Entrepreneurship. 75 students of different streams attended this camp. The main objective of the camp was to motivate students about different areas of skills where they can establish themselves as Entrepreneur and also create jobs for others. At the concluding session Dr. Sandeep Kaur Hora, college co-ordinator of the camp gave vote of thanks.

- **“Immunodiagnostic Techniques” 19th & 20th September, 2017**

A workshop was organized on Immunodiagnostic Techniques by the Department on 19th & 20th September, 2017 sponsored by Himedia Laboratories Pvt. Ltd. around 55 students of M. Sc. & B. Sc. actively participated in the workshop. The session began with the welcome note by Prof. Sakina Ratlamwala followed by a theory session detailed on Immunodiagnostic Techniques given by Dr. Sheetal Bhasin. Event was coordinated by Prof. Fatema Matkawala. Students were given training on various Immunological Techniques which included ODD, RID, Rocket Immuno-electrophoresis, and Counter Current Immuno-electrophoresis. Mr. Vivek Jain, a delegate from Hi-media Laboratories pvt. Ltd. help the students by demonstrating the practicals. All the students were immensely benefited by the knowledge they had gained from this workshop.

- **Workshop on “Pearl Culture”, 26th August 2017.**

A Day Workshop organized by two students; Purva Patel and Shraddha Patel pursuing B.Sc. Biotechnology. This workshop was based on culturing pearls using pearl farming techniques. This technique includes the construction of a pearl farm followed by a collection of Oysters. Oysters are considered for surgical implantation known as seeding. After 2 – 3 years, oysters are harvested and pearls are collected. Around 40 students attended the workshop.

Session 2019-2020

- **“Molecular Biology”, 11th January, 2019**

A work shop was organized by the department on 11th January, 2019 for Akshat International School, Indore. Total 7 students participated in this programme. Workshop was aimed at providing knowledge about molecular biology techniques and its applications in our life. This event commenced with a day-long orientation and practical session which included theory lectures and experimentation work performed in laboratory. The inaugural session included opening remarks by Prof. Zahabiya Saiffee. First session began with theoretical lecture. Participants learned about structure of DNA and RNA and various techniques to study presence and its isolation from various sources. The second session focused on experimental part. In this session, individual participants performed each experiment individually. At the end of session; Dr. Sheetal Bhasin Ma'am discussed various applications and aspects of molecular biology with participants. During the course of workshop, participants got a chance to enrich their knowledge on molecular biology and recognize the future aspects and career opportunities in this field.

Department of Biosciences has conducted one day workshop on Plant Tissue Culture on **23rd September, 2019** for B.Sc. final year students of Vaishnav Vidyapeeth University. Total 20 students participated. Gaining demand for in vitro medicinal and ornamental plants was detailed by Dr. Monica Jain. The forenoon session was a lecture on basic methodologies in tissue culture led by Dr. Monica Jain, Associate Professor and Head Dept. of Life sciences. Various media preparation methods, media compositions, hormone preparation, surface sterilization methods were discussed. Hand notes were provided to the students which included Murashige and Skoog (MS) media composition and protocol for the in vitro propagation of Bhrami. Apart from that differences in culture methods of various other plants were also mentioned. Afternoon session was hands on training session for students who performed Explants' sterilization and Inoculation following which M.Sc. students sub cultured various shoot buds individually under the guidance of the instructor. Inoculated bottles were then placed in tissue culture racks under appropriate conditions of illumination and humidity. The event was concluded with a valedictory function.

The Department of Biosciences organized a workshop 'BALVIGYAN' for school students on 1st November 2018. The workshop was specifically meant for 11th and 12th class students with a view to make the students gain in-depth knowledge in Biotechnology. A total of 19 students participated from Mata Gujri Girls Public school. The workshop was formally inaugurated by Prof. Fatema Matkawala. She also welcomed the gathering and prof. Dr. Sheetal Bhasin proposed the vote of thanks. The workshop had lectures and practical sessions. The theory was delivered by Dr. Sheetal Bhasin and followed by a practical session. The theory lectures were helpful in inculcating a positive attitude towards biotechnology aspects among the participants. Practical session includes Isolation of bacteria from various sources, isolation of DNA from different sources such as animal, plant, and bacteria. Both the sessions were informative as well as interactive, as reflected from the feedback received from the participants. A short duration thanksgiving session was arranged at the end of the workshop by Dr. Sheetal Bhasin Ma'am. Dr. Ananad Nighojkar, principal, MRSC addressed the participants and motivated them to research in the field of biotechnology.

Dear Sir / Madam,

Safety Riding Training
for Female students & Teachers

Honda, as you know is the world renowned automobile manufacturer and is known for its superior technology worldwide. Honda follows Safety as integral part of our all its business activities & aims to support and enhance its role to create awareness for road safety and environment, specially for Females students; 'the next generation'.

Honda Motorcycle & Scooter India Pvt. Ltd. (HMSI), is a 100% subsidiary of Honda Motor co. Japan, having its Head Office at Manesar, Gurgaon. HMSI is promoting Safety Riding aggressively in India through its dealers, Traffic Police, SIAM, RTO'S & active participation from various schools & colleges.

In India more than 4.3 lac accidents occur annually & Adults are involved in 50% of road accidents in the country. Since children & Adults both are more prone to accidents, efforts need to be made to organize various road safety activities in a sustained manner for safety of awareness and precaution of accidents.

Our objective is to actively engage with the colleges and thus educate the females on various aspects of 'road safety' through our Riding Training workshops.

We conduct safety programs of Two wheeler learning for females of 18 Yrs & above on 26th & 27th July '12.

For Female Students/Teachers

Specially designed presentation for females We also have special female Instructor which will provide practical training to all females (a brief snapshot is enclosed for your reference.

The Females will be shown a presentation on Road Safety. We will also bring a Two Wheeler Simulator (Riding Trainer) with us and training will be provided to all females.

The Honda Riding Trainer is a state-of-the-art, compact, computer driven machine that puts riders in real life road traffic situations through a wide variety of options.

DEPARTMENT OF COMMERCE

Session 2016-2017

- **Workshop on Self Defence for Women, 10th March, 2017**

A self defence training camp was conducted for the girls of MRSC. The training was conducted to boost the self confidence of the girls and to make them able to act in unfavourable situations. The girls were taught simple ways of self defence and they were also spoken to about tackling situations in which they found themselves to be under any kind of harassment. The safety of the girl child should be given maximum priority and hence the workshop was seen as a boon to the girls who often have to travel away from their homes for studies and work. Seminar was conducted by Ms Poornima Bise and Ms. Ritu Sirvi ASI Bhanvarkua Thana Indore.
