## STUDENT SATISFACTION SURVEY

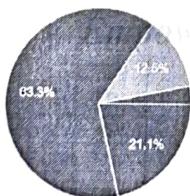

2023-2024

This report presents the findings of Student Satisfaction Survey (SSS) carried out for the academic session 2023-24 at Maharaja Ranjit Singh College of Professional Sciences, Indore, an affiliated college under Devi Ahilya University, Indore. The aim of the survey was to gather responses of the students on satisfaction of various aspects of their academic experience, infrastructural facilities and personal development in the college. The SSS within the framework of the National Assessment and Accreditation Council (NAAC) guidelines allows students to rate their satisfaction on the basis of Strongly Agree, Agree, Neutral and Disagree. It is hoped that the extended analysis of the survey responses will provide actionable insights for the college administration to strengthen its academic and support services, enhance student engagement, and cultivate a more enriching learning environment at Maharaja Ranjit Singh College of Professional Sciences, Indore. The SSS is a demonstration of our commitment to a sensitive environment where student voices are heard and valued.

The Student Satisfaction Survey 2023-24 has provided crucial insights into student experiences and can serve as an important bridge between the student body and the administration/faculty and facilitate open communication between the stakeholders.

The survey was conducted online via 'Google Form'. This method was chosen due to its familiarity, accessibility and ease. In all 14 questions were asked out of which 13 questions were MCQ based while the last question was open ended in which student were asked to give suggestions. The responses were obtained from 256 students from different streams.
