DEPARTMENT OF COMMERCE

Session 2017-2018

- **Entrepreneurship Awareness Camp, 26th to 28th March 2018**

To expose students to entrepreneurship as an alternative career, three days Entrepreneurship awareness camp was organized by Maharaja Ranjit Singh College from 26/3/18 to 28/3/18. The camp was conducted by MPCON under the sponsorship of Department of Science and Technology, Ministry of Science and Technology, Govt of India. The camp was inaugurated by Dr. N. Anand, Principal MRSC, Dr. Ira Bapna, Director MRSC and Mr. Ganesh Swami, Asstt Manager MPCON Indore. The Guest speakers were Mr Ganesh Swami and Dr Vinod Mishra who enlightened the students with various Government schemes to promote Entrepreneurship and fundamental concept of entrepreneurship. Several other dignitaries from Business world shared their knowledge and experiences and delivered lectures on opportunities and challenges of Entrepreneurship. 75 students of different streams attended this camp. The main objective of the camp was to motivate students about different areas of skills where they can establish themselves as Entrepreneur and also create jobs for others. At the concluding session Dr. Sandeep Kaur Hora, college co-ordinator of the camp gave vote of thanks.

Prof. Sandeep Hora

Program Coordinator

Assistant Professor
Department of Commerce and Management
Maharaja Ranjit Singh College

● **“PTC Workshop” 26th to 28th March 2018**

Department of Biosciences has conducted a one-day workshop on Plant Tissue Culture from **26th to 28th March 2018** for students of XII class students. A total of 22 students participated. Gaining demand for in vitro medicinal and ornamental plants was detailed by Dr. Monica Jain. The forenoon session was a lecture on basics methodologies in tissue culture led by Dr. Monica Jain, Associate Professor and Head Dept. of Life sciences. Various media preparation methods, media compositions, hormone preparation, surface sterilization methods were discussed. Hand notes were provided to the students which included Murashige and Skoog (MS) media composition and protocol for the in vitro propagation of Bahrami. Apart from that differences in culture methods of various other plants were also mentioned. The afternoon session was a hands-on training session for students who performed Explants' sterilization and inoculation following which M.Sc. students subcultured various shoot buds individually under the guidance of the instructor. Inoculated bottles were then placed in tissue culture racks under appropriate conditions of illumination and humidity. The event was concluded with a valedictory function.

Workshops

DEPARTMENT OF COMMERCE

Session 2016-2017

- **Workshop on Self Defence for Women, 10th March, 2017**

A self defence training camp was conducted for the girls of MRSC. The training was conducted to boost the self confidence of the girls and to make them able to act in unfavourable situations. The girls were taught simple ways of self defence and they were also spoken to about tackling situations in which they found themselves to be under any kind of harassment. The safety of the girl child should be given maximum priority and hence the workshop was seen as a boon to the girls who often have to travel away from their homes for studies and work. Seminar was conducted by Ms Poornima Bise and Ms. Ritu Sirvi ASI Bhanvarkua Thana Indore.

निर्भयता के लिए मानसिक गुलामी से मुक्ति जरूरी

इन्दौर 8 मार्च। सभी समस्याओं की जड़ मानसिक गुलामी है। इससे मुक्त होते ही स्वतंत्रता और निर्भयता का द्वार खुल जाता है। कर्तव्य पूरा करते ही कानून से प्राप्त अधिकार जीवन्त हो जाते हैं। महिलाओं को इस दिशा में विचार करने की जरूरत है।

यह बात हाईकोर्ट एडवोकेट श्री गगन बजाड़ ने अंतर्राष्ट्रीय महिला दिवस पर महाराजा रणजीतसिंह कॉलेज में आयोजित व्याख्यान में कही। व्याख्यान का विषय था महिला और कानून। श्री बजाड़ ने कहा कि महिलाओं में सहन करने की अपार शक्ति होती है। इसे सकारात्मक रूप देने की आवश्यकता है। स्त्रियों को धर्म के चौखटे से बाहर आकर उसके सही मर्म समझना चाहिए। उन्होंने महिलाओं को प्राप्त कानूनी अधिकारों की विस्तार से जानकारी दी। श्री बजाड़ ने अनेक उदाहरणों से लड़कियों को भयमुक्त होने की प्रेरणा दी। प्रारंभ में प्राचार्य डॉ.आनंद निघोजकर, महाराजा रणजीतसिंह ग्रुप ऑफ इंस्टीट्यूशन की डायरेक्टर डॉ.इरा बापना और डॉ.पुष्पेंद्र दुबे ने श्री बजाड़ का स्वागत कर स्मृति चिह्न भेंट किया। इस अवसर पर प्रो.महिमा जैन, डॉ.सुप्रिया बंडी, प्रो.शिफा गोयल, डॉ.संदीप कौर, डॉ. मनदीप कौर, डॉ.गायत्री शर्मा, छात्रसंघ पदाधिकारी श्रद्धा पटेल, गुंजन हार्डिया सहित अनेक छात्राएं उपस्थित थीं। संचालन डॉ.गीता सनेजा ने किया। आभार डॉ.गायत्री पलोड़ ने माना।

Special Lectures

DEPARTMENT OF MANAGEMENT

Session 2019-2020

- **Mr. Anirban Das, 14th February 2020**

Management Department - Maharaja Ranjit Singh College of Professional Sciences, organized a guest lecture on 14-02-2020 for BBA I and III Sem students in the Institute premises. The topic of the lecture was "Just Kidding...Yours' Destiny" and the guest speaker was Mr. Anirban Das (Author, Blogger). The speaker shared his experiences and the lessons learnt from corporate life and the importance of learning from failures. Mr. Das also stressed on making the right choices, their consequences and the role of destiny in an individual's life. The speaker delivered the lecture through humorous interactive stories and quizzes to encourage and motivate the students. He stressed on the importance of attitudinal skills as being critical for success. 51 students belonging to BBA I Sem & BBA III Sem attended the lecture. The speaker also distributed his book 'Just Kidding...Yours' Destiny' with the students. The session ended with interaction among the students and the speaker.

Management Department - Maharaja Ranjit Singh College of Professional Sciences, organized a guest lecture on 20-08-2018 for the BBA I & BBA III Sem students in the Institute premises. The topic of the lecture was "Choosing a Successful Career" and the guest speaker was Dr. Sangita Jain (Professor, IMS, DAVV, Indore). The aim of the lecture was to create awareness regarding the various career options available and how to make the right career choice that is aligned with their personal goals, interests and the industry demands. She advised the students to take up every opportunity for learning during their college days apart from the prescribed syllabus by enrolling for certification courses etc. 84 students belonging to BBA I Sem & BBA III Sem attended the lecture. The session ended with interaction among the students and the speaker.

- **Ms. Shraddha Yadav, 21st August 2018**

Management Department - Maharaja Ranjit Singh College of Professional Sciences, organized a guest lecture on 21-08-2018 for the BBA I Sem students in the Institute premises. The topic of the lecture was "Cyber Security for Women" and the guest speaker was Ms. Shraddha Yadav (SI Crime Branch), alumni of the Institute. The aim of the lecture was to create awareness especially among the girls on the need for using the social media responsibly and safely. She advised the students to be cautious while befriending strangers on Facebook, Instagram and other social media tools and to report any untoward incident to the Cyber Cell Branch. She shared some experiences whereby people were caught embezzling bank accounts, funds, stalking etc. through the timely reporting by the people concerned and the intervention of the Cyber Cell Branch. She also shared the contact details of the Cell and how to report any untoward incidents without fearing. The lecture was an initiative by the Institute for Women empowerment. 51 students belonging to BBA I Sem attended the lecture. The session ended with interaction among the students and the speaker.

Event Report

Name of event	Road Safety
Date	17/10/2019
Time	1:00 PM Onwards
Place	From Palasiya to Regal square & Malhar Mega Mall, Vijay Nagar

After the hat trick for winning the cleanest city award, a new project launched named "vision 2022". The pathway from Palasiya to Regal named Adarsh Marg- students from MRSC helped traffic police in managing traffic continuously for a month at different timings.

This event aimed at raising public awareness about traffic rules & ultimately reducing casualties due to road accidents. Hence initiative was taken by MRSC students with Indore Traffic Police under the guidance of Mr. Varun Kapoor, Additional Director General of Police to make people more aware. Students helped them to manage traffic. They asked everyone to keep the left turn free for smooth traffic management and stop before the zebra crossing line.

Completing the month with permission went to Malhar Mega Mall their they did a flash mob. They had banners explaining different traffic symbols. Also requested everyone to follow traffic rules and wear a helmet.

Event Report

Name of event	Blood Donation -Youth Week - Day 2
Date	14/01/2020
Time	10:00 AM Onwards
Place	Counseling Cell

We organized a blood donation camp on the college campus with the help of Medicare Hospital Indore on 14 Jan 2020. Students & Faculties both participated actively. Students having less hemoglobin or weight advised proper diet. To boost energy after blood donation fruit juice and glucose biscuits were distributed. All the students who donated blood received a certificate also. A total of 18 units of blood were collected. Due to less equipment, the entire process took a long time. Medicare also leads the team of Doctors for Blood Donation. Doctors were helpful and supportive. They calm student's curiosity like how they process and preserve blood, how much blood a person can donate, why a ball is given in hand to exercise etc.

Dr. Sheetal Bhasin, Head -Biosciences Department, who coordinated with the Medi-square team, and Prof. Meenakshi Vyas, Program Officer, motivated students to donate blood, made this event possible.

5th International Conference
On
**INNOVATIVE AND HAPPY PRACTICES:
A STARTUP PEDAGOGY IN THE
ORGANIZATION**
22nd December, 2018

Organized by:

Maharaja Ranjit Singh Group of Institutions, Indore

Hemkunt Campus, Khandwa Road , Indore (M.P.)

(Approved by Govt. of M.P, AICTE, Affiliated to DAVV & RGPV)

Ph. No.09977539505; 09926909505

Conference Theme

India as the world's largest democracy is almost the third largest economy in real terms. It is the fastest growing country with speedily developing innovative financial system. India is set to become one of the world's most important economic forces in the coming decade. We are today at the door of digital era. Through the years, we have witnessed an explosion of social and economic reforms and innovations at all levels in response to the changing global landscape as well as demands of the society. Recent national-level economic initiatives and financial reforms such as demonetization, the implementation of the Goods and Services Tax have far-reaching implications.

But still the question lies “Can money ever make you happy”? Most people have an opinion on the answer to this question and are pretty clear about its stance on it. There comes a revolutionary new metric known as “Gross Domestic Happiness”. Gross Domestic Happiness - also known as Gross National Happiness - is a measure of quality of life and social progress. It is “The essence of the philosophy of Gross National Happiness is the peace and happiness of our people and the security and sovereignty of the nation.”

This conference will bring together the leading academic and global experts for an in-depth discussion of India's Mission Happiness and implications for the global economy.

Therefore, the theme of the fifth International Conference is “INNOVATIVE AND HAPPY PRACTICES: A STARTUP PEDAGOGY IN THE ORGANIZATION”.

Sub-themes of the Conference

General Management

- ☐ Strategies for Innovative Social & Happy Changes
- ☐ Social Entrepreneurs
- ☐ Economic Reforms and Inclusive Growth
- ☐ Business Policy Reforms for Social Change
- ☐ Sustainable Development and Environmental Issues
- ☐ Innovative Applications in Modelling and Decision Techniques
- ☐ Changing Role of Institutions: Global, National and Local
- ☐ Industrial Sector Reforms and Growth
- ☐ Emerging Trends in Global Economy
- ☐ e-learning through Global Synergy
- ☐ Business Ethics and Spirituality
- ☐ Measurement and Evaluation

Marketing

- ☐ Social Happy Marketing
- ☐ Digital Marketing
- ☐ Green Marketing and Co-operative Marketing
- ☐ Customer Relationship Management
- ☐ Rural Marketing: Best Practices and Strategies
- ☐ Innovative Practices in Marketing Management

Human Resource Management

- ☐ Talent Management in Diverse Happy Cultures
- ☐ Strategic HRM & Happiness among Employees
- ☐ HR Analytics and Metrics
- ☐ Social Skills for Change
- ☐ Proactive & Innovative Role of HR

Finance

- ☐ Financial Policies and Reforms for Happy Change
- ☐ Emerging Trends in Financial Markets, Products and Services
- ☐ Microfinance and Risk Management
- ☐ Accounting Practices, Standard and Disclosures
- ☐ Corporate Governance
- ☐ Gross Domestic Product Vs. Gross Domestic Happiness
- ☐ Innovative Portfolio Management and Mutual Funds
- ☐ Behavioural Finance (Capital Markets, Trading, and Portfolio Management)

Information Technology

- ☐ Cyber Laws and Security Concerns
- ☐ IT as a Driver for Social & Happy Changes
- ☐ IT for Good Governance
- ☐ ERP, e-CRM
- ☐ e-Sourcing Capability Model
- ☐ e-Business Model for Management Flexibility
- ☐ e-Commerce and e-Auctions

Paper Guidelines

- **Title Page**

A title page should be included. State the title of the manuscript, which should be short and simple, as well as authors and author affiliations. Indicate the journal to which the manuscript is being submitted. Provide approximately 6 key words, as well as a short title (sometimes referred to as a running title) for the manuscript. Finally, provide complete contact information for the corresponding author.

- **Abstract**

The abstract is typically a single paragraph. The abstract should be considered as an independent document, so that the abstract does not rely upon any material in the

body of the report and, similarly, the body of the report does not rely upon any material in the abstract. The first sentence should clearly state the objective of the experiment. If the experiment is based upon a hypothesis, which is greatly preferred, the hypothesis should be stated and followed with statements describing its basis and evaluation. The subsequent sentences describe how the investigation was carried out.

- **Introduction**

The introduction requires a short review of the literature pertaining to the research topic. The introduction is then best constructed as a descriptive funnel, starting with broad topics and slowly focusing on the work at hand. Perhaps three to four paragraphs are needed.

- **Methods**

This section should be a straightforward description of the methods used in your study. Each method should be described in a separate section. Begin, in a single section, with a statement of the materials used in the study. This information is critical so that readers have the capability to repeat the work in their own institutions. Next describe, in separate sections, each key procedure and technique used in the study. Keep explanations brief and concise. If a specific experimental design is utilized, describe this design in the second section of the Methods, after the materials section. Similarly, if a theoretical or modelling component is utilized, it should also be incorporated in the initial portion of the Methods.

- **Results**

The Results section presents the experimental data to the reader, and is not a place for discussion or interpretation of the data. The data itself should be presented in tables and figures. Introduce each group of tables and figures in a separate paragraph where the overall trends and data points of particular interest are noted. Note that each table and figure in the paper must be referred to in the Results section. Be succinct.

- **Discussion**

The discussion section, often the most difficult to write, should be relatively easy if the previous suggestions have been followed. In particular, look to the last paragraph of

the introduction. If the work has characterized a phenomenon by studying specific effects, use the results to describe each effect in separate paragraphs. If the work has presented a hypothesis, use the results to construct a logical argument that supports or rejects your hypothesis. If the work has identified three main objectives for the work, use the results to address each of these objectives. A well-defined study that is described in the Introduction, along with supporting results that are presented in the Results section, should ease the construction of the Discussion section.

Conclusions

- Again, first introduce the work and then briefly state the major results. Then state the major points of the discussion. Finally, end with a statement of how this work contributes to the overall field of study.

- **Acknowledgements**

- Provide a brief statement acknowledging the efforts of any participants or consultants who are not included as authors of the manuscript. State all of the funding sources for the work, ensuring that the statement adheres to the guidelines provided by the funding institution.

- **Hindi**

Hindi papers should be only in Kruti Dev 010 , other fonts not accepted.

The contributors must mention their functional area in the subject line of the email. The paper should begin with the title, author(s), and institutional address along with e-mail id.

Other Guidelines:

1. The paper should be on A4 paper format (8 1/2" by 11") and should have **1.00" margin** on all sides, and **1.5 line spacing**. The full length paper should not be more than 4000 words.

2. Paper title: **Font size: 16, Font Type: Times New Roman, Bold and centre aligned.**

3. Followed by the author details: **Author listing, Font Size: 12 pt, Times New Roman, Bold and Centre Aligned: (Author names; department or college; university or company; city of one author in one line).**
4. The abstract should be titled "Abstract" in **Bold, Left aligned**. And the body of the abstract must be in *Italics* and should summarize the research in not more than **250 words**.
5. The Abstract should be followed by 3-5 Keywords (**Left aligned, Normal font**).
6. Content of paper should be: Full text justified; pages numbered as 1, 2, and so on; no indentation - use a single blank line to separate paragraphs
7. All Headings of Sections of the paper- **Font Size: 14 pt, Font Type: Times New Roman, Bold, Left aligned and all headings should be numbered.**
8. All subheadings – **Font Size: 12 pt, Font Type: Times New Roman, Bold, Underlined Left aligned.**
9. All Tables/Figures should be numbered and have a title. Title should be in **Font Size: 12 pt, Font Type: Times New Roman, Bold and centre aligned**. Source should be mentioned at the bottom of the table. Tables and Annexure should be given after references.
10. All citations in text should be referenced in the end of the paper in the APA style.

A single column layout with both left and right margins justified is to be sent at concerned E-mail ID. All submissions are subject to review committee. Selected quality papers recommended by review committee will be considered for presentation and publication. *Only those papers will be considered for publication in which all the authors of the paper have registered themselves separately for the conference.* All rights of the publication of papers presenting in the conference shall rest with the conference organizer. Paper can be submitted in absentia also.

HIGH QUALITY SELECTED PAPER WILL BE PUBLISHED IN ANY ONE OF THE FOLLOWING JOURNAL:

- 1) Kaav International Journal of Economics, Commerce & Business Management- A Referred Blind Peer Review Quarterly Journal- ISSN: 2348-4969; Impact Factor: 8.9901 (2018).
- 2) Kaav International Journal of Arts , Humanities & Social Science - A Referred Blind Peer Review Quarterly Journal: ISSN: 2348 – 4349, Impact Factor 8.0121 (2018)
- 3) Kaav International Journal of Law, Finance & Industrial Relations - A Referred Blind Peer Review Bi-Annual Journal; ISSN: 2349 – 2589, Impact Factor 6.0721 (2018)

(NOTE: For Journal Publication each author need to register individually.)

In Absentia of Individual author registration, the paper will be published in ANUJAT Journal. ANUJAT is an international, multidisciplinary, peer-reviewed journal published by All Nations University College, GHANA.

The soft copy of the abstract and full paper should be submitted at the following conference mail id:

5th International Conference on “Innovative and Happy Practices : A Startup Pedagogy in the Organization” 22nd December 2018

Key Note Speaker- Mumbai Dabbawala

दबबावाला
रविवार, 23 दिसम्बर 2018

समय ही धन और एकता ही शक्ति
इंटरनेशनल कॉन्फ्रेंस में मुंबई के दबबावाला ने सुनए अनुभव

इंदौर। हम अंग्रेजों के जमाने के डबबावाला हैं। हमारे लिए समय ही धन है। एकता हमारी शक्ति का अजस्र स्रोत है। तुष्टिदायक स्वस्थ भोजन समय पर उपलब्ध होना आज की भाग-दौड़ वाली जिंदगी में सर्वाधिक जरूरी है। डबबावाला के लिए ग्राहक भगवान हैं। हम केवल डिब्बा ही नहीं पहुंचाते, बल्कि टूटे दिलों को जोड़ने का काम भी करते हैं। एक-दूसरे की सहायता से ही लक्ष्य प्राप्त किया जा सकता है।

यह बात मुंबई डबबावाला के रितेश आंद्रे ने महाराजा ग्रुप ऑफ इस्टीमेटेड द्वारा आयोजित पांचवीं इंटरनेशनल कॉन्फ्रेंस में मुख्य वक्ता के रूप में कही। कॉन्फ्रेंस का विषय था- इनोवेटिव एंड हैप्पी प्रेक्टिसेस : ए स्टार्टअप पेडागॉगी इन द ऑर्गनाइजेशन। उनके साथ डबबावाला के प्रेसिडेंट उल्हास मुके भी थे। श्री आंद्रे ने बताया कि सन 1890 में महादु हावजी ने एक डब्बे से इसकी शुरुआत की थी। महादु हावजी मात्र दूसरी कक्षा तक पढ़े थे। आज 128 साल बाद मुंबई डबबावाला 60 से 70 किलोमीटर के दायरे में 5 हजार सदस्यों के माध्यम से प्रतिदिन 2 लाख लोगों तक डिब्बा पहुंचाने का काम कर रहे हैं। श्री आंद्रे ने बताया कि डबबावाला से 80 लाख ट्रांजेक्शन होने पर एक गलती होती है। यह हमारी सांख्यिक क्षमता के कारण ही संभव हो पाया। उन्होंने कहा कि जीवन में समय को रुपए से अधिक महत्व देने पर चीजें आसान हो जाती हैं। डबबावाला के बिजनेस में अनेक लोगों ने प्रवेश करने की कोशिश की, परंतु हम दिल से काम करते हैं, इसलिए आज सफल हैं। कॉन्फ्रेंस में तबलीन फाउंडेशन के डॉ. गुल्मीत सिंह नारंग को सीईओ सतविंदर सिंह, डॉ. इरा बापना और डॉ. आनंद निधोजकर ने महाराजा एक्सीलेंस अवार्ड प्रदान किया।

Talk on Yog by Swami Omanandji – 20th December 2018

Key Indicators 3.4 – Extension Activities (50)

No.	Metric	Weightage
3.4.1.	<p>QM <i>Extension activities are carried out in the neighbourhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years.</i></p> <p>Describe the impact of extension activities in sensitizing students to social issues and holistic development within a maximum of 500 words.</p> <p>File Description:</p> <ul style="list-style-type: none">• Paste link for additional information <p>Upload any additional information</p> <p>We believe in all round development of the students where we understand that the students should be getting educated and not just getting syllabus knowledge. To fulfil this aspect of college vision and mission we hold numerous activities.</p> <p>Anti Alcohol Drive</p> <p>Anti alcohol drive was one of the very important activities conducted by our institute. This was a silent request to move a wine shop away from the vicinity of our college. Presence of this wine shop would have created a huge amount of nascence for smooth running of nearby educational institutions also. All the students, teachers, principal, director and CEO of our college use to do a silent march and prayers for the shopkeeper. We all use to pray that may GOD shower his blessings on the shopkeeper and enlighten him to understand that presence of a wine shop in an area where there are schools, colleges and students' hostels is absolutely not suitable. In this drive we along with our neighbouring institutions collectively requested the local administration also to help in this matter. Eventually GOD favoured us and the shop was moved away. This shop is shifted to New Ranibag, Khandwa road, Indore.</p> <p>NSS activity</p> <p>The students as a part of NSS program are taken to nearby rural areas for camping. These groups perform various activities in the adjoining places such as cleaning and making the residents aware of the benefits of cleanliness.</p> <p>Paper Bag Distribution at Rajwada</p> <p>Our institute has engraved the name of institute in Golden Book of world records by distributing 1,72,450 paper bags at Rajwada, Indore. Students conveyed the message of restricting the use of polythene bags by performing skit at Rajwada, a historical place in Indore. The event witnessed active participation of students to make the shopkeepers in the Rajwada market aware of ill effects of polythene and also distribution of paper bags.</p>	5

GOLDEN BOOK OF WORLD RECORDS

Certificate of Recognition

LARGEST DISTRIBUTION OF PAPER BAGS

The World Record of largest distribution of paper bags at multiple locations (six towns) has been achieved by **Maharaja Ranjit Singh College of Professional Sciences** from Indore, Madhya Pradesh, India

On Nov 24, 2017, record breaking number of paper bags were free of cost distributed at multiple locations of Indore under campaign 'say no to polythene'.

**GURU GOBIND SINGHJI
PRAKASH PARV – 29.10.17**

महाराजा रणजीतसिंह कॉलेज ऑफ प्रोफेशनल साइंसेस
खण्डवा रोड, इन्दौर

शांति स्थापना के लिए आर्थिक
विकास पर पुनर्विचार जरूरी

इन्दौर 22 सितंबर 2016। महाराजा रणजीतसिंह कॉलेज और सद्भावना अभियान के संयुक्त तत्वावधान में विश्व शांति दिवस पर 'वर्तमान आर्थिक चिंतन, धारणीय विकास और शांति' विषय पर व्याख्यान आयोजित किया गया। मुख्य वक्ता देवी अहिल्या विश्वविद्यालय स्कूल आफ इकानॉमिक्स के विभागाध्यक्ष डॉ.गणेश कावड़िया ने कहा कि आज अर्थशास्त्र में विकास की अवधारण को फिर से परिभाषित किया जा रहा है। दुनिया के विकसित देशों के पास प्राकृतिक संसाधनों की कमी है, परंतु उनकी विकास दर बहुत अधिक है। जहां प्राकृतिक संसाधन बहुत हैं, वहां मूलभूत सुविधाओं का अभाव है। उन्होंने कहा कि आज दुनिया मानवीय संपदा को विकास का पैमाना मान रही है। डॉ.कावड़िया ने बदले हुए परिवेश में ग्लोबल हैप्पीनेस इंडेक्स को विकास में शामिल किया गया है। शांतिपूर्ण सहअस्तित्व के लिए एक-दूसरे से संवाद कायम करना, अपने आपको सक्रिय रखना, नये प्रयोग करना, सीखने की हमेशा कोशिश करना और एक-दूसरे से सहयोग करने की प्रवृत्ति को बढ़ावा देना जरूरी है। अध्यक्षीय उद्बोधन में पूर्व पोस्ट मास्टर जनरल श्री ए.आई.ए.एस.पॉल ने कहा कि पहले और द्वितीय विश्व युद्ध में करोड़ों लोग मारे गए। शांति की स्थापना के लिए दुनिया गौतम बुद्ध के विचारों का गहराई से अध्ययन कर रही है। लोगों को शिक्षित करने से युद्ध की विभीषिका से बचा सकता है। प्राचार्य डॉ.आनंद निघोजकर ने मिशन हैप्पीनेस की जानकारी देते हुए स्वागत उद्बोधन दिया। श्री शफी शेख ने सद्भावना अभियान की जानकारी दी। प्रारंभ में डॉ.आनंद निघोजकर, डॉ. इरा बापना, डॉ.मितेश चौधरी ने अतिथियों का स्वागत किया। इस अवसर पर प्रो.अनिल गुप्ता, डॉ.गीता सनेजा, डॉ.सुप्रिया बंडी, डॉ.गायत्री पलोड़, डॉ.संदीप कौर, डॉ.शीतल भसीन, डॉ.मोनिका जैन, प्रो.प्रवीण शर्मा, सुश्री आशा खादीवाला, श्री परवेज सहित बी.कॉम.आनर्स कोर्स के विद्यार्थी उपस्थित थे। संचालन डॉ.पुष्पेंद्र दुबे ने किया। आभार श्री अतुल कर्णिक ने माना।

Session 2020-2021

- **Webinar on "Healthy Intestine leads to a Long Life" Yakult Danone India Pvt. Ltd., 1st April, 2021**

A webinar on "Healthy Intestine leads to a Long Life" organized on 1st April, 2021 for M.Sc. Students by Department of Biosciences, MRSC, Indore. Dr. Fatema Matkawala conducted the webinar and gave a brief about Microbial Flora present in Intestine which was followed by sharing of expert knowledge on Probiotics, its use and benefits by Dr. Neerja Hajela, Head of Yakult Danone India Pvt. Ltd. Webinar was concluded with questionnaire session in which students asked various queries regarding probiotics. Around 35 Students attended the program along with 10 faculties of different departments of Maharaja Ranjit Singh College of Professional Sciences, Indore.

INTESTINE – NATURAL DEFENCE FORCE

Our Intestine is constantly exposed not only to food but also to external enemies - harmful bacteria, viruses and parasites. Since most of the immune cells are present in our intestine, their addition role is to protect us from these enemies and cancer cells.

- Immune cells = Soldiers / Army
- Immunity = Body's capacity to fight infections
- Intestines = Largest immune organ
- Unhealthy Intestines = Low Immunity

DEPARTMENT OF BIOSCIENCES

Session 2018-2019

- **Seminar on Microenvironment & Farm Structure, 28th April 2019**

Dr. Sandeep Jain, Professor & Head, Agricultural Engineering College, Dapoli, Ratnagiri, Maharashtra delivered a talk on Microenvironment & Farm Structure to M.Sc. Biosciences students on 28th April 2019. The Students gained knowledge related to the use of Bamboos for structural purposes in rural & tribal housing material. The presence of large amounts of starch makes bamboo highly susceptible to attack by staining fungi & powder-post beetles. The students were detailed about the commonly used preservation methods like treating bamboo by using Boric Acid Borax, Copper Chrome Boron etc. Also, Dr. Sandeep Jain elaborated the opportunities for Biotechnology & Microbiology students to explore upon different preservation techniques that can extend the life of bamboo and can maintain its quality & hence make it suitable for the use as construction material. Dr. Jain in his talk showed various innovative jugaad instruments, developed by them to pluck and collect fruits from trees, to remove weeds and grass from farms, etc.

Educational Tour Report

On

AMI 2019, Mahendergarh Tour

Department of Biosciences represented Maharaja Ranjit Singh College of Professional Sciences at 60th Annual Conference of Association of Microbiologists of India (AMI 2019) & International Symposium on Microbial Technologies in Sustainable Development of Energy, Environment, Agriculture and Health (AMI 2019), Central University of Haryana, Mahendergarh, Haryana. The group left Indore on 13th of November consisting of 5 students, 1 research scholar and a teacher incharge. We returned on 19th of November 2019 to Indore. The conference was hosted by Central University of Haryana in Mahendragarh in association with Association of Microbiologists of India.

Students witnessed brainstorming scientific sessions on plant microbe interactions, enzyme technology, bioremediation, metagenomics, oil degradation, endophytic bacteria, bioethanol production and many more topics. They interacted with researchers to enhance their knowledge on research possibilities.

Pronomita Chakraborty worked on transmission and prevalence of drug resistance in Gram Negative Bacteria for her dissertation work during M. Sc. Biotechnology. She presented her research work in the form of a research poster in the conference on "Prevalence and Induction of Multiple Drug Resistance in Gram Negative Bacilli". Delegates appreciated her work as a result of which she was encouraged for doing Ph. D. in future.

Educational Tour Report

on

AMI 2017, Lucknow Tour

An educational tour was organized for students of Department of Biosciences to attend the 58th Annual Conference of Association of Microbiologists of India (AMI) and International Symposium on Microbes for sustainable development: Scope and Applications (AMI 2017) at Babasaheb Bhimrao Ambedkar University, Lucknow, U.P. The conference was hosted by Department of Environmental Microbiology, School of Environmental Sciences, BBAU in association with Association of Microbiologists of India. The group consisting of 19 students, 1 research scholar and 2 alumni students along with teacher incharge left Indore on 14th of November 2017 and reached back on 20th of November 2017.

Researchers from all over the globe gathered in the conference to share their findings. Students were overwhelmed with the sessions and the scientific feast of knowledge. Talks related to multidrug resistant organisms, plant growth productivity increase, plant breeding, bioremediation, plant endophytic microbes, oil degrading microbes, probiotics and protein engineering diversified the horizons of student's scientific thinking. Amrita Jasani, an alumni of our college who is doing research work under my guidance presented a research poster on "Emergence of Candida utilis as a Potential Pathogen in Neonatal Intensive Care Units".

We also visited CSIR-Central Institute of medicinal and Aromatic Plants (CIMAP) in Lucknow. We are thankful to Dr. Mahendra Darokar who is a scientist at CSIR-CIMAP for arranging the visit for us. The research laboratories were fascinating and there were numerous researchers working on different aspects of plant research and plant based metabolites. Our students interacted with the researchers and were highly encouraged by them. Research going on at CIMAP is directly influencing the farmer's produce in terms of enhancement of crop productivity and entrepreneurs of medical and aromatic plants. Students took keen interest in the aromatic garden.

DEPARTMENT OF BIOSCIENCES

Report on Conferences Session 2019-20

Prof. Satish C Maheshwari Memorial Conference "Harnessing Green Technology: In Harmony with Nature", 11th and 12th June, 2020

Prof. S.C. Maheshwari, one of the greatest Indian plant biologists, is known worldwide for his immense contributions to plant sciences particularly in the fields of duckweed research; gene regulation; and the phytochrome. One of his outstanding contributions to plant tissue culture is development of in vitro haploid culture; a revolutionary technique, which is used all over the world for raising haploid and homozygous diploid lines in agriculture.

Prof. Satish Maheshwari, during his lifetime, set a Scientific Legacy of his own, and had been an inspiration to many. On 11th and 12th June, Dept. Of Life Sciences, Maharaja Ranjit Singh College of Professional Sciences, Indore organized a two days International Web Conference, to honor the renowned scientist on his first death anniversary.

In the two day conference, Galaxy of Eminent scientists gathered at one Platform and shared their knowledge. Dr. M. V. Rajam (Professor, Department of Genetics, University of Delhi), Dr. K. N. Guruprasad (Director, SVIS, Indore), Dr. Vineet Soni, (Associate Prof. MSU Udaipur) delivered talks on "Harnessing Green Technology in Harmony with Nature". Dr. K. Sowjanya Sree (Assistant Professor, Central university of Kerala), Dr. Klaus J Appenroth (Professor, Friedrich Schiller University Jena, Germany) and Dr. P. Suprasanna (Head, NABTD, Bhabha Atomic Research Centre, Mumbai) delivered lectures on 12th June with over 500 registrations in the online conference.

The highlight of the conference was the homage to Prof. Satish Maheshwari, rendered by Prof. Govindjee (Professor Emeritus, University of Illinois at Urbana-Champaign, USA), Prof. S. Sopory (ICGEB, New Delhi), Prof. A. K. Tyagi (Professor, Department of Plant Molecular Biology, New Delhi), Prof. Ashwani Pareek (Professor JNU, New Delhi). Special Guest Dr. Sushila Narsimhan (Sister of Prof. Satish Maheshwari), shared her memory lane and narrated interesting anecdotes about her dearly brother.

The research excellence of Prof. S. C maheshwari, have been acknowledged in India and worldwide. The second and third generation scientist study the principles developed by Prof. S. C. Maheshwari through his research papers and books. It was a pride moment to remember the eminent contributions, with stalwarts in the field of plant science in India and abroad. The Chief Executive Officer of Maharaja Ranjit Singh College, Indore, Shri Satvinder Singh Ji, Principal Prof. Anand Nighojkar, Convener of the conference Prof. Monica Jain, Co convener Prof. Sheetal Bhasin, Advisor Prof. Dipak Sharma, Technical Advisor Prof. Anil Gupta, management and staff of Maharaja Ranjit Singh College of Professional Sciences, Indore, is grateful to all the guest speakers and participants to make this international conference, a successful one.

11TH – 12TH JUNE 2020

DEPARTMENT OF BIOSCIENCES

Report on Conferences Session 2019-20

“Coaxial Living with Microbes II”, 30th and 31st May 2020

An attempt to share the relevant information for Covid-19 Maharaja Ranjit Singh College of Professional Sciences, Indore organized a Web Conference on 30th and 31st May 2020 on “Coaxial Living with Microbes II - Impact on Health and Environment”. Experts involved in research and production of Covid 19 Therapeutics and Vaccines updated us with current strategies they are adopting to combat this disease.

Establishing a bridge between Industry, research and academics can give apt solutions to handle the current global scenario of prevailing pandemic. MRSC, Indore created such a platform through this web conference.

Eminent speakers gave their informative talks, which has led to the overflow of appreciations by the participants. There were more than 500 registrations including large number of students, research scholars and teachers who got motivated by the ideas speakers shared.

Mr. Amrit Parashar: Deputy Director, Mylan Global Biologics Quality, Bengaluru, Karnataka, INDIA delivered a talk on ‘Prospects, Regulation and Strategies in Pharmaceutical Industries to cater the society’. He discussed pharmacopeia of India and some other countries. He also shared views on standard protocols followed in pharmaceutical industries.

A talk on ‘The 21st century Challenges and Next Generation Genomics Solutions’ was delivered by Mr. Dushyant S. Baghel: CEO, Nucleome Informatics Private Limited, Hyderabad, Telangana, INDIA. He enlightened the path of audience by throwing light on advancement in Genomics and Bioinformatics and various bright career opportunities in it in near future.

Dr. AJ Velthuis: University of Cambridge, England shared his views on ‘Coronaviruses-replication, disease and research’. He emphasized on etiology of Covid-19 Disease and also mechanism of virus replication and its pathogenesis.

Mr. Harshwardhan Jagdale: Deputy Manager, Serum Institute of India Private Limited, Pune, Maharashtra, INDIA delivered a talk on ‘Viral Vaccines: An Industrial Perspective’. He shared his views on development of viral vaccines. He also discussed about promises and disadvantages of mRNA vaccines.

A talk was delivered by Dr. Kavita Tiwari: University of Bristol, Bristol, UK on ‘Microbiology Good to Great to Build to Last’. She threw light on different aspects of microbiology and connects microbiology to current scenario.

Special Lectures

DEPARTMENT OF BIOSCIENCES

Session 2019-2020

- **Dr. Amogh Bhatnagar, 21st January 2020**

He has established his own firm in the field of bioinformatics and gained experience of around 12 years. He motivated students by waking them about the 'Current Status of Biotechnology Industry.' Around 25 students of M.Sc. (biotechnology and Microbiology) has attended his lecture. By 2025, the contribution of the **Indian biotechnology** industry in the global **biotechnology** market is expected to grow to 19% from 3% in 2017.

Dr. Mukesh Patidar
Program Coordinator

Assistant Professor
Department of Biosciences
Maharaja Ranjit Singh College
of Professional Sciences, Indore (M.P.)

Dr. Anand Nighojkar

Principal
PRINCIPAL
Maharaja Ranjit Singh College
of Professional Sciences,
Khandwa Road, INDORE

- **Dr. Sandeep Kumar, 29 July 2019**

Induction program of fresher's batch began with an informative talk on Holistic Approach in Algae Conversion to Bio products and Biofuels. Dr. Kumar explained about the crisis world is facing today due to the increasing demand of fuel. This demand can be met up by growing algal farms since the algae are rich source of lipids. These algae can be utilized commercially to extract biofuels from them. The algae are also a rich source of proteins which bears potential to overcome malnourishment in children.

Dr. Monica Jain
Program Coordinator

Special Lectures

DEPARTMENT OF BIOSCIENCES

Session 2017-2018

• **Dr. Puneet Singh, 28th July 2017**

Dr. Puneet delivered a talk on Industrial Enzyme & their Applications. He is alumnus of the Department of Biosciences. Sir gave the insight of various enzymes which can be used to facilitate industrial processes and the production of products. He explained widespread application of enzymes in various industries like chemical, detergent, leather, food, paper and pulp. According to him currently used enzymes are protease, lipase, amylase, cellulose, pectinase etc. All the M. Sc. students were benefited by his lecture.

Dr. Mukesh Patidar
Program Coordinator

Assistant Professor
Department of Biosciences
Maharaja Ranjit Singh College
of Professional Sciences, Indore (M.P.)

Dr. Anand Nighojkar
Principal

Indore (M.P.)

• **Dr. S. Chand, 1st June 2018**

Dr. Chand was invited to deliver a lecture on Bioterrorism on the occasion of World Environment Day in the Silver Jubilee Celebration of the College. He explained how one can make intentional use of biological agent to cause illness or death in people, animals or plants. According to him agents like bacteria, viruses can be mutated to increase their ability to cause disease and make them resistant to current medicines. They can be spread through air, water or food. Students of B.Sc. and M.Sc. Biotechnology and Microbiology witnessed the lecture.

Industrial Visits

DEPARTMENT OF BIOSCIENCES

Session 2020-2021

- **Online Visit to Jaiv Vatika Pvt. Ltd., 1st March, 2021**

Dr. Sheetal Bhasin, Head of Dept. of Biosciences, MRSC, Indore visited Jaiv Vatika Pvt. Ltd. and conducted a live online visit for M.Sc. Students on Zoom Platform. Total 30 Participants attended the programme. Students witnessed the functioning and basic structure of Fermenter used for Biopesticides and Biofertilizers production in Jaiv Vatika. A 1000 liter Fermenter is installed in the company which maintains optimum environment for the growth of biomass supplied as products to the farmers for increasing the crop production and preventing crop plants from various diseases.
