14% increase in no. of liquor shops in MP in past 6 years

Number of Country Liquor Shops Down

The number of liquor shops in MP has increased by 14% in the past six years, according to a report by the state government. The report also shows that the number of country liquor shops has decreased by 14% in the same period.

However, the revenue from sale of liquor has declined by 14% in the same period. This is due to the decrease in the number of country liquor shops. The state government has decided to increase the number of country liquor shops to 14% of the total number of liquor shops in the state.
