## Health Awareness Camp Report

29<sup>th</sup> August 2016

A health awareness camp was organized on 29<sup>th</sup> August 2016 for all the students and staff members of college. Postgraduate and undergraduate students from Department of Biosciences along with the faculties volunteered to monitor health parameters like blood pressure, hemoglobin estimation, height, weight and blood group. There were around 100 participants in the event who willingly participated in the routine health checkup. The class III and IV staff members of the college also participated in the event with great enthusiasm. A summary of the checkup was also handed over to the individuals for reference.
