- **Course studied in MRSC:-** B.Sc. (Bio-Informatics)
- **Year of Passing:-** 2008
- **Name of the organization and Position held at present:-**
Manager – Credit Risk Management, HDFC Ltd

- **Role of MRSC in your journey:-**

It is said that education is the basic building block of character for any individual and if it is placed properly, only sky is the limit for them not just with respect to their career but as a human being in entirety. At MRSC that's what exactly the Team (Principal, Director, Faculty Members & Staff) does the best. Not limiting the students only to the class rooms and ensuring that they get the holistic experience & exposure, this team of wonderful people makes them ready for the opportunities (what others call challenge) lying in future. An essay can be written on the role of MRSC in my journey but in a nutshell I would say I am what I am today because of the values which were inculcated in me and the way I was nurtured by my teachers. Whatever little success I have tasted in my life, I owe to it my faculties, the Institute and all the related people as it is because of the confidence they have shown in me which makes me able and willing to sail through the tides of life. To conclude I would like to emphasize the fact that the words mentioned above will be echoed by all the students who were blessed to be a part of this wonderful college... MRSC

- **Achievements:-**

- Dale Carnegie Certified Trainer
- Recipient of Pan India CRM Performance Awards – 3 Years in a row
- Represented University in Volleyball and College in Table Tennis, Badminton & Squash
- President of Student Union, MRSC: 2006-07

- **Role of MRSC in your journey:** -

Biotechnology specialization from “Maharaja Ranjit Singh College” was one of my best career decisions. After passing BSc and MSc in Biotechnology from MRSC my professional journey has been very authentic in India and Abroad. Biotechnology labs of MRSC are very well equipped with the latest instruments, and it helped me to gain necessary knowledge and skills with special focus on “hand-on-training” on dealing with instruments which helped me in developing a knowledge rich environment in industries as well as my career in Academics. MSc Biotechnology in MRSC is skill based and incorporates Research projects as an integral component that provides an opportunity to get trained in designing and performing a research project followed by an opportunity to publish. In regard to my achievements in academics and industries all credit goes to the excellent team of teachers in MRSC. I would like to thank my college and team of diligent and hardworking teachers for their outstanding contribution by providing splendid direction to my career.

- **Role of MRSC in your journey:-** The time period of MRSC Indore was one of the most exciting and transformative times of life, it created the path of success in all aspects that can be used as a cutting edge in current world. The institution build the steps that not only consists of educational development of an individual but also focus on development of interpersonal skills, warmth, empathy, respect, genuineness, concreteness, self-disclosure, immediacy, and confrontation. I personally understand the concept of teamwork, understand the importance of communication and go through a comprehensive learning involves providing invaluable contextualized knowledge, insights of solving existential problems; and producing new knowledge that can be adapted for economic and social improvement boosted my skills of collaboration and empathy. I strongly believe by the part of MRSC young adults begin to integrate their identity, enhance their intellectual development, and internalize a personal set of beliefs and values.

Proud to be an MRSCian.

- **Achievement:-** Rather than I would say professional achievement by started from scratch to become a part of leadership team in the industry and in a path of converting the options into opportunities into achievements, it is more correct to say that personally become an optimistic individual on the progressive path to become an good human being.

Thanks to team MRSC and KUDOS for all the great effort for replicating to make the great individuals, society and the nation.

Zap Learning solution (Academic Head)

Also Running own online platform study24x7.com on google play store

➤ **Role of MRSC in your journey:-**

Those 3 years of MRSC was best part of my life. Learning a lot academic as well as other personality development related activities. Behavior of our teachers were truly affectionating and encouraging. Most important thing is that whatever we learned in lab was too knowledgeable that in the industry I was better than MSc qualified candidates.

Now a days I am a well known faculty of NEET/IIT JEE chemistry. My students assumed me a very good teacher but truth is that I am good because I learned from Excellent Teachers. I will always be thankful to Anand sir, Sheetal Mam, Deepak sir for their support and guidance. Somewhere a good visionary management is also behind this good environment of MRSC.

➤ **Achievement:-**

- 1) Worked as Sr. Faculty In Resonance Kota
- 2) was HOD chemistry in Career Point
- 3) Academic Head in Zap learning solution
- 4) owner of study24x7.com app on google play store

Name:- Manisha Malik

Qualification:- MSc Biotechnology, B.Ed.

Course studied in MRSC:- BSc Biotechnology, MSc Biotechnology

Year of Passing:- 2019

Name of the organization and Position held at present:-

Sri Satya Sai Vidya Vihar - TGT Science

Pepper Content, eQOURSE, Greynodes - Freelance Writer and Subject Matter
Expert

Role of MRSC in your journey:- MRSC has given me exposure to various industries and career options available to me as a biotechnologist. The well-equipped laboratory has opened the doors for many budding researchers. It was not only a college but a second home for the students. I have done research on a topic in my MSc dissertation with the constant support of the staff that has given me immense knowledge about the ongoing research. Being a teacher, I have taken inspiration from my teachers. My thesis had somewhat awakened a writer in me. Multiple seminars, webinars, and management practices encouraged me to become more confident. Not just academics, but extra-curricular activities at the college have played an important part in boosting my confidence.

Achievement:-

University topper in MSc

Gold medal in college for BSc and MSc

Poster Presentation in AMI 2018

Maharaja Ranjit Singh College of Professional Sciences,
Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

- **Name:-** Ashish Purohit
- **Qualification:-** M.Sc. Bioinformatics
- **Course studied in MRSC:-** B.Sc. Bioinformatics
- **Year of Passing:-** 2006

- **Name of the organization and Position held at present:-** Scientist/Project Lead at Stelis Biopharma Ltd.
- **Role of MRSC in your journey:-** Best 3 years of mentorship, personality development, research exposure, technological advancement and many more reasons to celebrate the golden time at MRSC.
- **Achievements:-**

Worked at various scientific organizations in different roles. Achieved great expertise in the domain of Proteomics Data Analysis using sophisticated technology of Mass Spectrometry to solve characterization of various biological molecules/drug candidates.

MRSC

Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

- **Name:-** Aniruddha Dhakad
- **Qualification:-** Post graduation
- **Course studied in MRSC:-** BSc Biotechnology
- **Year of Passing:-** 2018
- **Name of the organization and Position held at present:-** ICICI prudential,
Management associate
- **Role of MRSC in your journey:-** it provided right path to achieve my career goals and this is the place where some of best peoples whom I met.
- **Achievement:-** Level 9 local guides on Google maps.

Maharaja Ranjit Singh College of Professional Sciences,
Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

➤ **Name:-** Anil Yadav

➤ **Qualification:-** M.Sc., MBA

➤ **Course studied in MRSC:-** B.Sc. (Micro Pharma)

➤ **Year of Passing:-** 2001

➤ **Name of the organization and Position held at present:-** Executive Assistant in Indian Institute of Management (IIM) Indore

➤ **Role of MRSC in your journey:-** MRSC helped me evolve as a personality with awareness of knowhows of different domains. Its faculties not only taught me the prescribed curriculum but inculcated in me the life lessons which helped me taking the right decisions in my life.

➤ **Achievement:-**

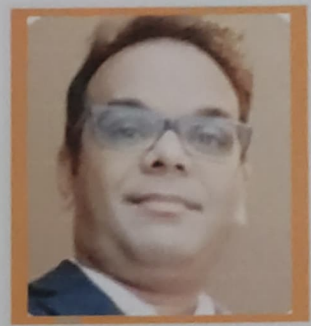

Maharaja Ranjit Singh College of Professional Sciences,
Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

- **Name:-** AMRIT PARASHAR
- **Qualification:-** M.Sc. Applied chemistry,
B.Sc. Pharmaceutical chemistry, Microbiology
- **Course studied in MRSC:-** B.Sc. Pharmaceutical chemistry, Microbiology
- **Year of Passing:-** 2001
- **Name of the organization and Position held at present:-**
Viatrix, Dy. Director – Quality
- **Role of MRSC in your journey:-**
Pharm industry is all about Product safety and Product Quality. When Doctor prescribe any medicine and Patient use medicine, they Trust the pharmaceutical profession for ensuring quality. The combination offered by MRSC is exactly what industry need from an Pharmaceutical profession. The course offers the basic and advance knowledge of current requirement.

All the Pharmaceutical techniques and Microbiology technique I studied in college is very much useful specifically in Research and Development, Quality Control, Quality assurance department.
- **Achievement:-**
Part of global organization providing low cost high quality Pharmaceutical Products Specifically for Cancer care Product, Diabetic Care, Respiratory care

Maharaja Ranjit Singh College of Professional Sciences,
Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

- Name:- AMAR PRAKASH PANDEY
- Qualification:-MSc. MICROBIOLOGY
- Course studied in MRSC:- BSc. Microbiology (2007-2010)
+ MSc. Microbiology (2010-2012)
- Year of Passing:-June 2012

- Name of the organization and Position held at present:-
Present Designation: - MANAGER MICROBIOLOGY (HOD MICRO)
Organization: - PRITAM INTERNATIONAL PVT. LTD.
ROORKEE, HARIDWAR (UK) 247667
- Role of MRSC in your journey:- as average Hindi Medium student -in study ,
Specialized in - projects and practical
Behavioral -Simple village boy
Participation in college Activities - Singing
- Achievement:-
 1. Presented a poster on National conference held at APS University REWA during MSc.
 2. Got selected for the Govt. service (PANCHAYAT SECRETORY) as first job.
 3. In private service -FOOD & BEVERAGE sector I have worked with eminent group of companies i.e- MEBL (kedia group MP),
WAVE (Chadhha group UP),
BIRA91 (B9 beverages),
UBL (United breweries Ltd.) etc.
 4. Certified tester, 80% scorer (in around 60 types of flavor samples)
 5. Certified Internal Auditor (Quality Management System –ISO9001:2015)
 6. Expertise on: c GMP , GLP ,GDP and Hygiene coordinator.
 7. Successfully faced several QMS , FSMS, FSSAI and EMS audits.
 8. Presently holding the Managerial position at FMCG sector in Wonder group of companies (Top in Contract manufacturing) We are serving for prominent market leader like- CIPLA, SUN PHARMA, LUPIN, SYMBIOTIC, (in non-sterile Cosmetic Pharma) and L'OREAL, P&G, HUL,HIMALAYA, RB,CURATIO, GODREJ etc. (in cosmetic)

7.3: INSTITUTIONAL DISTINCTIVENESS

- **Name:** - Amandeep Singh Chhabra
- **Qualification:** - B.COM, MBA
- **Course studied in MRSC:** - B.COM, MBA
- **Year of Passing:** - 2018
- **Name of the organization and Position held at present:-** Interglobal Aviation Ltd.
(Indigo) Executive Security at Raja Bhoj Airport, Bhopal
- **Role of MRSC in your journey:** - The Journey after completing studies from MRSC has changed me alot taught me good leadership skills by which I can lead from front.
- **Achievement:** - Awarded with Best Student Award by MRSC.
Awarded with Best Employee award by Airports authority of India at Indore airport.
Got Felicitated by Indigo Airlines at Bhopal for Good Passenger Interaction.

Maharaja Ranjit Singh College of Professional Sciences,
Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

- **Name:** Akhilesh Mukati
- **Qualification:-** M. Sc. Microbiology
- **Course studied in MRSC:-** M. Sc. Microbiology
- **Year of Passing:-** 2008
- **Name of the organization and Position held at present:-** At Cipla Ltd. As Deputy Manager
- **Role of MRSC in your journey:-**
whole credit goes to M. R. S. C. for my success. As the culture in MRSC is to build knowledge with interest. Which is very important to find a path for the students to choose careers ahead.
- **Achievement:-**
First of all I am satisfied with my career and job. Now I am at the position to handle a team of around 30 people.

Maharaja Ranjit Singh College of Professional Sciences,
Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

➤ **Name:-**Abhishek Jain

➤ **Qualification:-**MSc. MICROBIOLOGY

➤ **Course studied in MRSC:-** BSc. Microbiology (2007-2010)
+ MSc. Microbiology (2010-2012)

➤ **Year of Passing:-**June 2012

➤ **Name of the organization and Position held at present:-**

Present Designation: - Senior Microbiologist

Organization: - Procter & Gamble (P&G India) PVT. LTD.

➤ **Role of MRSC in your journey: - as average Hindi Medium student -in study ,**

➤

Specialized in	-	Microbiology research projects
Behavioral	-	Simple village boy
Participation in college Activities –		Dancing

➤ **Achievement:-**

1. Presented a poster on AMI conference held at NCI Pune during BSc.
2. Got selected IN P&G during MSc. Final year as first job.
3. In private service – Working in P&G last 10+ year as a senior microbiologist.
6. Expertise on: c GMP , GLP ,GDP and Hygiene coordinator.
7. Successfully faced several QMS , FSMS, FSSAI and EMS audits.
8. I am leading 5 P&G CM(Contract manufacturing) site in India located in different location.

7.3: INSTITUTIONAL DISTINCTIVENESS

➤ **Name:** - Gaurav Chhabra

➤ **Qualification:** - B. Sc. (Pharma & Micro), M.Sc. (Pharma)

➤ **Course studied in MRSC:** - B.Sc. (Pharma & Micro)

➤ **Year of Passing:** - 2001

➤ **Name of the organization and Position held at present:** -

Head – Quality Control Department (QC)
Assistant General manager (AGM)

Dishman Carbogen Amcis Limited
Bavla, Ahmedabad

➤ **Role of MRSC in your journey:** -

- MRSC places a crucial role in creating fundamentals and inculcating a sense of responsibility.
- MRSC Provided us a good and healthy environment and facilitated us with good classrooms, laboratories & Campus apart from providing literatures and notes which made easier for us to study & cleared the examinations.
- Highly Qualified, knowledgeable, and subject matter expert faculty made our journey a good way. Gurus including Anand Negojkar, Padnis madam, Sheetal Bhasin madam, Sharma madam, Deepak sir, Mamta madam, all facilitated us with the best teaching and subject guidance for the career.
- Active involvement and interaction of Faculty with each student is indeed a crucial part and reason for success.

Maharaja Ranjit Singh College of Professional Sciences,
Indore

➤ **Achievement: -**

- MRSC helped me to achieve my goal and as an achievement I secured a good position in Pharma industry and serving the peoples with good Quality of medicines and drugs.
- I worked in various renowned organizations like Lupin, Unichem and achieved success in various regulatory inspections like USFDA, MHRA, EDQM, TGA, WHO & Others.
- FDA approved chemist and Six-Sigma (Green Belt) Certified.
- Done **Certifications from IIT (Guwahati)** on Practical training with emphasized on various Organic reactions, particularly oxidation and reduction of sulfides and sulfoxides respectively and along with this also worked on 'Utilization of Freon in organic synthesis with particular emphasis on the synthesis of Bioactive molecules.
- Done **Certification from IIT (Kharagpur)** on "Preparation of Sodium alginate nanoparticles in the aqueous core of reverse micellar system as potential drug carrier"

Maharaja Ranjit Singh College of Professional Sciences,
Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

➤ **Name:-** Pranomita Chakraborty

➤ **Qualification:-** M.Sc.

➤ **Course studied in MRSC:-** M.Sc. Biotechnology

➤ **Year of Passing:-** 2019

➤ **Name of the organization and Position held at present:-** Microbiologist, Medicare Hospital and Research Center.

➤ **Role of MRSC in your journey: -** MRSC enhanced my interest and my skills in medical microbiology. My teachers helped me to figure out what i can do best with my passion for Clinical microbiology. I have gained tremendous knowledge skills confidence and positive attitude towards my career and my life from each teacher out there. I will always be grateful to Principal Sir and all my teachers for what and where I am today and for their constant support and motivation.

➤ **Achievement:-**

**Maharaja Ranjit Singh College of Professional Sciences,
Indore**

7.3: INSTITUTIONAL DISTINCTIVENESS

➤ **Name:-** Mohit Agrawal

➤ **Qualification:-**

- *MSc.in Biotechnology*

➤ **Course studied in MRSC:-**

- *BSc in Biotechnology, Pharma Chemistry & Computer Science*

➤ **Year of Passing:-** 2006

➤ **Name of the organization and Position held at present:-**

- *Bio-Rad Laboratories Inc., Regional Sales Manager – India (Process Chromatography Division)*

➤ **Role of MRSC in your journey:-**

- *The course combinations and motivations from teachers is the best thing that can happen to you if you are an MRSC Alumni. Teachers are knowledgeable, enthusiastic not thing because they want students to pass, but because they want the students to succeed in life. I remember my entire BSc at MRSC, however not much my MSc from a different college. The labs are really well made, another thing that teachers encourage is industry visits and alumni connect.*

➤ **Achievement:-**

- *Worked in R&D & Production of Bacterial conjugate vaccine in Serum Institute of India, Pune for Bill Gates Project.*
- *International Business Development experience in Biopharma lab & facility set up*
- *Techno commercial Sales in Bio-Rad Laboratories support biopharma customers across India & APAC.*

7.3: INSTITUTIONAL DISTINCTIVENESS

Name:- Vinay Singh

Qualification:- Ph.D.

Course studied in MRSC:- B.Sc. Life Sciences

Year of Passing:- 2010

Name of the organization and Position held at present:-

Postdoctoral Researcher,
Institute of Inorganic and Analytical Chemistry,
Friedrich Schiller University, Jena, Germany

Role of MRSC in your journey:- For my bachelor's degree in life sciences, I was fortunate to be a part of this college. It was a great and colorful three-year adventure that not only guided my career but also my complete personality development (Red Day-Green Day-Fresher Party-Annual functions). I was really lucky in that each subject had the best faculty available.

The basics are sometimes the best place to start. What are your priorities? What inspires you? What do you hope to accomplish in life? What do you believe your life's mission is? It could feel a little confusing at first. However, I received every answer from MRSC.

Achievement:- Qualified CSIR-NET (AIR- 26)
Qualified ICMR-JRF (AIR- 42)

Maharaja Ranjit Singh College of Professional Sciences,
Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

- **Name:-**Sunita Chanchani (Pandey)
- **Qualification:-**MBA in Financial Administration
- **Course studied in MRSC:-** B.Sc Biotechnology
- **Year of Passing:-**2006
- **Name of the organization and Position held at present:-**
Lakshya Overseas Education as Chief Operating Officer
- **Role of MRSC in your journey:-**

MRSC has played a very important role in my life. What I am today is just because of my college. College has not only helped me academically but in overall personality development which I can call a real education. College has provided me with many opportunities where I got to reveal my hidden skills and talents which was actually even not identified by myself.

➤ **Achievement:-**

- 1)Got Campus placement in my 3rd semester of my MBA.
- 2)Runner up in Personality Development contest in college level .
- 3)Level 5 Certified Trainer in MNC Amway
- 4)Got 2nd Position in Continuos Evaluation Program conducted by the corporate in Pan India Level within 120 Trainers.

Maharaja Ranjit Singh College of Professional Sciences,
Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

- **Name:-** Sonal Purohit
- **Qualification:-** M.Sc. Microbiology
- **Course studied in MRSC:-** M.Sc. Microbiology , B.Sc.
- **Year of Passing:-** 2008
- **Name of the organization and Position held at present:-** Self Employed
- **Role of MRSC in your journey:-** 5 glorious years of MRSC have provided the kind of education which not only benefits academically but also provides avenues for holistic growth and development. College have helped me in developing the right attitude and skill sets to perform better in all areas of life.
- **Achievement:-**
 - Got the opportunity to design the logo for our college for celebrating 25 glorious years of imparting value education to the students.
 - Selected for Exhibiting artworks at International Water Color Society, West Bengal in the year 2021
 - Participated in various group shows at prestigious art galleries in Bangalore.
 - Awarded for Brand promotion in the year 2011 by Maharaja Ranjit Singh College of Professional Sciences, Indore.
 - Honoured with a Gold medal and a Certificate in P.E.A.C Academy Award 2010 by Swati Jain College for holding highest rank in DAVV merit list.
 - Awarded for holding top position in M.Sc. conducted by DAVV, from Maharaja Ranjit Singh College of Professional Sciences, Indore.

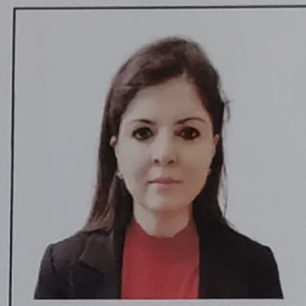

Maharaja Ranjit Singh College of Professional Sciences,
Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

- **Name:** - Meenakshi Lakhwani
- **Qualification:** - M.Sc (Chemistry), Ph.D (Chemistry) and MBA (marketing)
- **Course studied in MRSC:** - B.Sc. (Microbiology, Chemistry & Pharmaceutical Chemistry)
- **Year of Passing:** - 2002
- **Name of the organization and Position held at present:** -
Workday, Sr Customer Advocacy Manager
- **Role of MRSC in your journey:** -
MRSC prepared me, **both intellectually and socially, for my career and my life.** I learned interpersonal skills, speaking skills, teamwork skills, Problem-solving skills, and Time Management through various activities in MRSC. MRSC faculty not only helped me focus on my studies and gaining knowledge but also helped me develop my overall personality. I owe my success to MRSC and its faculties.
- **Achievement:** -
 - Working at a leadership position in a well renowned company.
 - 6 research paper publications.

Maharaja Ranjit Singh College of Professional Sciences,
Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

➤ **Name:-** Dr. Trashi Agarh Singh

➤ **Qualification:-** Ph.D Microbiology

➤ **Course studied in MRSC:-** M.Sc Microbiology

➤ **Year of Passing:-** 2011-12

➤ **Name of the organization and Position held at present:-** Research Scientist, V.R.D.L. Bundelkhand Medical College, Sagar Madhya Pradesh

➤ **Role of MRSC in your journey:-** MRSC is responsible for development of my current communication skills and letting me believe in myself that yes I can! MRSC is not just college but more than a family to me. Anand Sir and Sheetal mam and were and are the support system even today and are always there to extend their supporting hand whenever I need. It was their experience that led in me the development of research mind and studying through research and review articles during my M.Sc tenure leading to enhancement of my knowledge and focus.

➤ **Achievement:-**

1. Awarded 2nd prize in poster presentation at National Conference at Rewa.
2. Awarded for completing 50000 RT-PCR tests at C.I.M.S. Chhindwara by Collector.
3. Presented posters in various International conferences.
4. Authored review articles and book chapters in books by Elsevier, Taylor and Francis.
5. Co-Authored book titled "Industrial Effluents" with Dr. Ranjan Singh and Tanim Arpit Singh.

Maharaja Ranjit Singh College of Professional Sciences,

Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

➤ **Name:-** Dr. Puneet Kumar Singh

➤ **Qualification:-** Ph.D (Microbiology)

➤ **Course studied in MRSC:-** Biotechnology, Bioinformatics,
Computer science

➤ **Year of Passing:-** 2009

➤ **Name of the organization and Position held at present:-** Postdoctoral researcher,
Chonnam National University Medical School, Gwangju, South Korea

➤ **Role of MRSC in your journey:-**

MRSC holds an important place in my academic and research journey. MRSC inculcated interest about research in me to choose career in same field which I still cherish. The environment and faculties at MRSC helped me for my overall professional and personal development.

➤ **Achievement:-**

Awarded Young Scientist Award of 2016 from Association of Microbiologist of India in the field of food microbiology

Appointed as Advisor of Zaozhuang Jienuo Enzymes Co. Ltd (China) from 22nd, May, 2017 to 20th, May, 2019

Awarded best poster award at International Conference on Frontiers in Biological Sciences, InCoFIBS, NIT, Rourkela in 2010

**Maharaja Ranjit Singh College of Professional Sciences,
Indore**

7.3: INSTITUTIONAL DISTINCTIVENESS

- **Name:- Sanket Sharma**
- **Qualification:- M.Sc. (Biotechnology)**
- **Course studied in MRSC:- B.Sc. and M.Sc. (Biotechnology)**
- **Year of Passing:- 2021**
- **Name of the organization and Position held at present:- Govt. of India**
- **Role of MRSC in your journey:- MRSC helped in the holistic development of my personality. It helped not only building and polishing the knowledge but also polished the leadership and teammate's qualities.**
- **Achievement:- Cracked CDSE exam 5 times.**

Maharaja Ranjit Singh College of Professional Sciences,
Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

- **Name** : - Nitesh Jasani
- **Qualification** : - M.Sc. Microbiology
- **Course studied in MRSC** : - M.Sc. Microbiology
- **Year of Passing** : - Year 2009
- **Name of the organization** : - Jaiv Vatika Company
- **Position held at present** : - Founder & Head Microbiologist
- **Role of MRSC in your journey:-** I was a botany student in my graduation and keenly interested in the field of organic farming. I took admission in M.Sc. Micro because I always wanted to start a biofertilizer/ biopesticide production unit and in MRSC I got in depth exposure to all microbiological techniques and other management skills which were needed in an entrepreneur.
- **Achievement:-**
 1. Founder of Jaiv Vatika, a biofertilizer production company.
 2. Recognition as Organic Farming Consultant amongst farmers.

Maharaja Ranjit Singh College of Professional Sciences,
Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

➤ **Name:-** Munira Gupta

➤ **Qualification:-** Masters in Biotechnology from University of Melbourne

➤ **Course studied in MRSC:-** Bachelors of science majoring in Biotechnology, Life-science, and Chemistry.

➤ **Year of Passing:-** 2016

➤ **Name of the organization and Position held at present:-** ICON working for Johnson and Johnson (Janssen Pharmaceuticals), In-house Clinical Research Associate

➤ **Role of MRSC in your journey:-** MRSC has helped me shaped my dreams and has aspired me to understand the importance of hard work and commitments to those dreams. In my road to success, I always look back to the days I spent in MRSC and wonder if it wasn't my time in this college, I might not be where I am today. All kudos to the best college in Indore. I give all the credit to this lovely institute and my professors.

➤ **Achievement:-**

- R&D Scientist/ Quality Assurance Manager for 3 years in an Agri-biotech industry in Melbourne, Australia.
- Have supervised more than 20 students from all different Universities in Australia.
- Currently, hired by a multi-national pharmaceutical (Janssen-Cilag) as a Clinical Research Associate.
- I am a certified Black Belt in Lean Six-Sigma, which involves working at the highest quality standard in any/every multi-national manufacturing company.

Maharaja Ranjit Singh College of Professional Sciences,
Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

➤ **Name:** - Harshwardhan Jagdale

➤ **Qualification:** - M. Phil. Medical sciences (University of Adelaide)

➤ **Course studied in MRSC:** -B. Sc. Biotechnology

➤ **Year of Passing:** - 2005

Attach photo here

➤ **Name of the organization and Position held at present:-** Manager at Serum Institute of India Pvt Ltd.

➤ **Role of MRSC in your journey:** - MRSC helped me in gaining the practical knowledge in various techniques in biotechnology. This was helpful for building grounds for my masters in virology course which I completed from National institute of Virology (NIV), Pune.

➤ **Achievement:** - I have a stable career in a world renowned viral vaccine industry.

Maharaja Ranjit Singh College of Professional Sciences,
Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

- **Name** :- Amrita Joshi (Jasani)
- **Qualification** :- M.Sc. Microbiology, PhD Microbiology (pursuing)
- **Course studied in MRSC** :- M.Sc. Microbiology
- **Year of Passing** :- Year 2008
- **Name of the organization** :- Arihant Hospital & Research Centre, Indore (M.P.).
- **Position held at present** :- Microbiologist & In-charge Infection Prevention & Control
- **Role of MRSC in your journey:-** MRSC played a crucial role in my life. I got the best lab infrastructure and skilled expert teachers in the department. I was always encouraged to recognize my interest. My department Head carved me so beautifully that not only I was prepared academically, but was also confident enough to begin my professional journey as well.
- **Achievement:-**
 1. Correspondence published in Indian Journal of Medical Microbiologists (IJMM) April'2015
"Isolation of Francisellatularensis from blood culture."
 2. Invited as speaker in annual conference of National Neonatology Forum, held in Dec 2016, in Indore & addressed the topic *"Surveillance of Nosocomial infections in NICU & Antibiotic Stewardship"*
 3. Oral presentation in the conference on Advances in Microbial Technologies (AIMT) held in Dec 2021, Jaipur, Rajasthan, on the research work entitled *"Potential impact of COVID-19 on emergence of antimicrobial resistance."*
 4. Poster presented in International symposium of Association of Microbiologists of India (AMI) held in Nov 2017, Lucknow, on *"Emergence of Candida utilis as potential pathogen in Neonatal intensive care units."*
 5. Poster presented in National conference Oct 2015 on *"Current scenario on Salmonella species distribution and antimicrobial susceptibility among clinical isolates."*

Maharaja Ranjit Singh College of Professional Sciences,
Indore

7.3: INSTITUTIONAL DISTINCTIVENESS

- **Name:-** Dushyant Singh Baghel
- **Qualification:-** MSc Biotechnology (Bharathiyar University), Executive Education from ISB, Hyderabad
- **Course studied in MRSC:-** B.Sc. Biotechnology
- **Year of Passing:-** 2005
- **Name of the organization and Position held at present:-** Managing Director and CEO, Nucleome Informatics Pvt. Ltd.
- **Role of MRSC in your journey:-** MRSC helped me in gaining the practical knowledge in various techniques in biotechnology. This was helpful for building grounds for my masters in virology course which I completed from National Institute of Virology (NIV), Pune.

Achievement

PROFESSIONAL EXPERIENCE

1. Nucleome Informatics Pvt. Ltd.	MD & CEO	August 2013 - Till Date
2. Fasteris SA, Switzerland	CEO – Asia Pacific	January 2013 - July 2013
3. Xcelris Labs Pvt. Ltd.	General Manager Genomics	June 2008 - December 2012

HONOURS AND AWARDS

1. Nucleome Informatics is 'India's 20 Most Promising Pharma & Life Science Technology Solution Provider Companies 2016' as per CIO review survey 2016
2. Nucleome Awarded "The 10 Most Recommended Pharma & Life Sciences Solution providers in 2018"
3. Nucleome Awarded "The Noteworthy Biotech and Pharma Company in 2019"

FEW ONGOING PROJECTS HUMAN RESEARCH PROJECTS

1. Development of SNP data base for Inherited Retinal Diseases and identification of structural variation of IRD in Humans in collaboration with Oneomics, South Korea and Sueol, Eye Hospital, Korea
2. Exome Sequencing of 500 Human Genomes for identification of structural variations and SNP discovery with LVPEI, Hyderabad.
3. Whole Exome Sequencing of Human Samples to discover novel SNP variants in cancer with Tata Memorial Hospital, Mumbai.

**Maharaja Ranjit Singh College of Professional Sciences,
Indore**

FEW ONGOING PROJECTS ANIMAL RESEARCH PROJECTS

1. Development of high quality genome assembly and structural variation discovery pipelines in Eukaryotic genomes with Dr. Michael Schatz, Jon Hopkins.
2. Development of high quality genome assembly and annotation of eukaryotic genomes with Vertebrate Genome Lab New York, NY, Sanger Institute, United Kingdom, and Max-Planck Institute, Dresden, Germany under Vertebrate genome project, a project of the G10K consortium.
3. Development of SNP data base for milk production in Indigenous Cattle and Buffaloes with ICAR-NBAGR.
4. High quality genome assembly of endangered species GIB under the conservation programme by Wildlife Institute of India, MoEFCC.
5. Working on Denovo genome sequencing and assembly of Dugong in collaboration with MOEFCC and WII.
6. Working on Denovo genome sequencing and assembly of Rhino in collaboration with MOEFCC and WII.
7. Working on Denovo genome sequencing and assembly of Red Snapper in collaboration with ICAR – CIBA.
8. Working on Denovo genome sequencing and assembly of Mullet in collaboration with ICAR – CIBA.

FEW ONGOING PROJECTS PLANT RESEARCH PROJECTS

1. High quality genome assembly of highly heterogeneous genome of Kodo Millet for ICAR – IIMR.
2. High quality genome assembly of Basmati Rice for ICAR.
3. High quality genome assembly of Moong Bean for Institute of Life Sciences.
4. High quality genome assembly of Moth Bean for Institute of Life Sciences.

FEW COMPLETED PROJECTS

1. Tobacco genome sequencing and SNP discovery for chip development with ITC, 2014.
2. Denovo genome Sequencing of Eggplant Borer with NBAIR, 2016
3. High coverage genome sequencing and identification of genomic variants in Bengal tiger (*Panthera tigris tigris*) with CSIR CCMB, 2017.
4. High-quality genome sequencing and assembly of Pomegranate genome which will act as a valuable resource to dissect economically important traits and propel the pomegranate breeding program with NRCP, 2018.
5. Whole genome sequencing of 1200 Vigna genomes for SNP discovery with ICAR, 2019.
6. High coverage genome sequencing of mosquito in order to minimize the risk of the malaria epidemic which is one of the major vectors in spreading malaria in the Indian Sub-Continent with TIGS and The University of California, San Diego, 2019.
7. First near complete haplotype phased genome assembly of River buffalo (*Bubalus bubalis*), a World Bank funded project with NDDB, 2019.
8. Whole genome sequencing of 1500 cattle, bovine genomes for SNP discovery with NBAGR, 2019.
9. The Cuon Enigma: Genome survey and comparative genomics of the endangered Dhole (*Cuon alpinus*) with WII, 2019.
10. High quality genome assembly and analysis of the Amrapali variety of the mango with ICAR – NIPB, 2019.
11. High quality genome sequencing and assembly of Avocado with QAAFI, Australia, 2019.
12. High quality genome sequencing and assembly of Wild Rice with QAAFI, Australia, 2019.

MRSC

**Maharaja Ranjit Singh College of Professional Sciences,
Indore**

13. High quality genome sequencing and assembly of Jojoba with QAAFI, Australia, 2019.
14. High quality genome sequencing and assembly of *D. myoporoides* with QAAFI, Australia, 2019.
15. High quality genome sequencing and assembly of *D. hopwoodii* with QAAFI, Australia, 2019.
16. High quality genome sequencing and assembly of *D. leichardtii* with QAAFI, Australia, 2019.
17. High quality genome assembly of highly heterogeneous genome of Shrimp with ICAR – CIBA, 2020.
18. High quality genome assembly of Pigeon Pea for improving the crop variety of Pigeon Pea, ICAR – NIPB, 2021
19. High quality genome assembly of highly heterogeneous and tetraploid genome of Little Millet, Institute of Life Sciences, 2021.

Place: Hyderabad

➤ Role of MRSC in your journey: -

It is said that college days are only 3 or 5 years old in everyone's life. My college journey was also similar where I decided about my career and started from zero and zero means everyone knows what I want to say. Well, MRSC and MRSCians faculty have played an important role at every step in my journey but I would say it will remain so in future also. If I am talking about the role of MRSC in my journey then that is the inspiration role of my journey, where I learned about educational, technical skills, build own self, how to face different types of people, total quality management, task management, Risk Management, Incident Management, Time Management, Social Life and Activity etc. And the most important thing that plays a big part in my journey is to accept the challenges and learn from them.

• Achievement: -

Experienced Food Consultant, Auditor and Quality Manager as well as Food Safety Team Leader-FSTL with 7+ years of work experience seeking a position at ASPPL Conducted more than 25+ audits. Having knowledge about the National and International Food Regulation & standard as well as food preservation technique like Frozen food, Canning Foods, Freeze drying Foods, Dehydrated Foods and Gamma Irradiation technique also having good experienced about the manufacturing of wheat Flour soy flour manufacturing, Soy Protein Products, Emulsifier(Lecithin) and Mushroom Cultivation.
